PSIC Program Benefits

"Protected self-insurance" is the risk management alternative that PSIC has chosen to manage its risks and keep its costs at the minimum. Price is not the only consideration when making this decision. In addition, the following are advantages, which should be noted over a conventional insurance program.

- Long-term stability in premiums and insurance availability.
- Broader coverage and increased limits.
- Potential return of loss fund dollars in the form of dividends subject to favorable loss experience.
- Cash flow benefits.
- Interest earnings from loss fund monies are retained by the members and further reduce program costs.
- Direct input and a strong voice by each member on coverage, administration, claims management and loss prevention decisions.
- Detailed and comprehensive monthly loss information.
- More direct control of claims management and claims costs.
- Professional loss prevention programs tailored more to specific needs and desires.
- Direct control of growth and determination of new members.

PSIC has assembled a team of professional service providers who understand the needs of North, Northwest, Central and Southern Illinois school districts. These include but are not limited to:

Program Administrator

Risk Program Administrators, a division of Gallagher

Claims Administrator

Gallagher Bassett Services, Inc. — Property/Casualty
Comprehensive Risk Services, Inc. — Workers' Compensation

Program Marketing

ARM of Illinois, Inc.
